# FUNDRAISE THE ROOF

GRAND PRIZE WORTH  
**\$8,000!**

Minnesota Stars FC is ready to kick off its defense of the 2011 North American Soccer League title, and the club is giving youth clubs across the Twin Cities a chance to raise money while helping to pack the Metrodome for the April 7 Dome Opener.

The FundRaise the Roof contest is open to all area youth clubs, and it's a simple way for your team to raise money. Simply refer people to the Stars FC website or ticket line to purchase tickets. When they do, they'll be asked what club they want to support. For each \$5 general admission ticket your club helps sell, Stars FC will pay your club \$1.

Every club participating in the FundRaise the Roof promotion is guaranteed money from the tickets it helps sell, but the club that sells the most tickets will win a prize package worth \$8,000. The grand prize package includes:

- "Club Night" package April 7 at the Metrodome: Members of your club get on the field as ball kids, player escorts and to play at halftime!
- Recognition for your club at the Dome Opener
- 500 Flex Tickets to future Stars FC home games, which your club can sell for \$10 each to raise additional funds or use for a club outing to a future game at NSC Stadium.
- Satellite Scrimmage: You pick the place, and Stars FC will come play a scrimmage in your community.
